We can meet with them in May to get information. Chemicals is not currently part of the program with EPAT. EPAT has not invited us to this.

Dear Mark, it has been a while since our last correspondence. Hope this note finds you well. Taiwan EPA wanted to try it again to invite you and your colleagues to speak at its international chemical management conference to be held in Taipei on Nov 9-10, 2017.

Am reintroducing Kenny Jeng of DuPont to be the contact for this November conference. Hope to see you before November as

AmCham's Doorknock will take place this June in D.C. More details will be sent to you in a separate message. Best, Amy

Excellent Mark. Am looping in our event team leader Ying Han and our Chemical Committee Co-chair Kenny here to coordinate the details. Both Kenny and I met you when you advanced Ms. McCarthy's trip in Taiwan and again when you accompanied her during her trip.

Look forward to seeing you in November. Best, amy

Hi Amy,

Matt asked me to get back to you regarding your request regarding the revision of TSCA. As it happens, I will be in Taipei the first or second week of November and could present on this issue. Would that timing work?

Mark

**Subject:** Taiwan EPA to invite US EPA to speak at a Mid November, 2016 event

Dear Matt, greetings from AmCham Taipei and hope this note finds you well.

Wanted to let you know that Taiwan EPA and Bureau of Industry hope to invite an EPA speaker to visit Taipei for best practice sharing on the drafting and/or implementation of US' latest revision of the Toxic Substances Control Act.

The audience that this US speaker will address is Taiwan government officials and industry representatives. Taiwan Authorities are prepared to cover the speaker's travel expenses. The proposed time for such an event is mid-November this year.

Kindly let us know if Jane or Mark or any EPA staff who happens to be coming this way and can share insights on the matter in November. Thanks and look forward to hearing from you. Best, amy
